

WATCH US MAKE A BUNCH OF DEAD GUYS COME ALIVE.

Lord Acton

John Calvin

Alexis de Tocqueville

Adam Smith

Thomas Aquinas

Imagine getting answers from some of history's greatest thinkers. Answers to all of your deepest, most philosophical questions regarding faith, freedom and economics. Imagine a distinguished international faculty, facilitating your understanding of how your faith

relates to globalization, government, the environment, poverty and free markets. You've just imagined Acton University: a four-day exploration of the foundations of a free society.

Enroll today and seize the chance to network with people from diverse

educational, vocational and international backgrounds who share a concern about issues of faith and freedom. Sound interesting? Let us help you to engage in the debate. Enrollment is limited, so call or visit our website to reserve your spot now.
